

How Asset Managers Become Superstars

BOMA 2019

INTERNATIONAL CONFERENCE & EXPO
Presented by BOMA International and BUILDINGS

JUNE 22-25 | SALT LAKE CITY, UT
EXPO DATES: JUNE 23-24

Asset managers attend the 2019 BOMA International Conference & Expo to find all the latest ways to improve portfolio value, maximize returns and more. These four productive days are the best investment you can make for your property. See for yourself what you'll gain.

LEARN

Choose from 40+ education sessions in 7 specialized tracks. The **Creating Asset Value** track covers every facet of asset management, including policies, leases, negotiations and decision-making skills.

All education sessions qualify for RPA, FMA, SMA, SMT and ARM renewal and continuing professional development credits. Some sessions also qualify for GBCI continuing education hours for LEED® designations, and some sessions qualify for renewal credits for the Building Operator Certification (BOC®).

DISCOVER

You'll gain access to more than 400 qualified vendor partners, all under one roof. You've got questions, they've got answers—take advantage of this opportunity to meet face-to-face and explore the latest in:

Asset management services

Financial, tax and legal services

Lease administration services

CONNECT

Meeting with fellow asset managers and sharing challenges and successes can introduce you to ideas and strategies that you've never thought of before—and your expanded professional network ultimately helps your building far into the future. You'll also connect with many others involved in commercial real estate:

- Owners and investors
- Architects and designers
- Building engineers
- Developers and builders
- Property managers
- Facility managers

Going to the BOMA conference and learning what's on the forefront of sustainability and how we can utilize these opportunities for our twenty and thirty-year-old buildings has been a tremendous help.

-Patricia Goble, Portfolio Manager, Healthcare Realty
