- reconnect with your customers to showcase your products and services.
- discuss industry issues affecting your customers and prospects.
- meet senior executives and other decision makers who have buying power.
- showcase your solutions in interactive new areas in the Expo.
- show your support while elevating your brand through sponsorship.
STAND OUT IN SPECIALTY ZONES

Highlight your specialized offerings by securing a spot in a premium Specialty Zone that will position you in front of your top buyers and educate them about which solutions will help them achieve their goals.

The TECHNOLOGY PAVILION is the place to exhibit if you offer tech products and services.

The GREEN PAVILION spotlights eco-friendly and energy-efficient products, services and technologies.

If you’re involved in any aspect of servicing industrial properties —roofing, loading dock equipment, entryways, environment control, safety, security, coatings and more—then INDUSTRIAL ROW is the ideal spot for your products to stand out!
