## EXPLANATION OF THE PRIORITY POINT SYSTEM

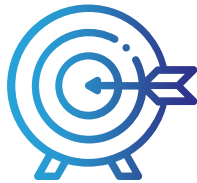

- ◆ One point for each year a company has exhibited in the BOMA International Expo. One point for every 100 square feet of exhibit space occupied in each of those years. These points are cumulative and start with the 1987 show.
- ◆ One point is added for National Associate Membership (NAM) in BOMA International. NAM points are not cumulative.
- ◆ One point is added for each sponsorship. Sponsorship points are cumulative.
- ◆ Additional points are given to partners based on partnership level and are cumulative.
- ◆ In the event of a tie, the 2022 *Exhibit Space Contract* date is used as a tie-breaker.
- ◆ A company that did not exhibit last year, but did exhibit the year before, retains its accumulated points. However, an exhibitor who misses two consecutive years loses all accumulated points. Points are not awarded to companies who fail to occupy their booths in previous year(s).

- ◆ Visit the [2023 Floorplan](#) to see the layout.
- ◆ Come to the Expo Sales Office during your timeslot. We have two options for submitting the *2023 Exhibit Space Contract*:
  1. You can submit an electronic Exhibit Space Contract at space selection if your authorized signer attends your time slot.
  2. You can print and complete the [2023 Exhibit Space Contract](#), including the **signature of an official authorized contract signer** for your company, and submit it during your space selection time.
- ◆ It is important that **a company representative is present** at your scheduled time to retain your priority position for space selection. No money is due with the Exhibit Space Contract. Your 50% deposit is due by August 15, 2022.
- ◆ If after you select, your company is unable to exhibit, you may cancel your Exhibit Space Contract (in writing) prior to August 15, 2022 with no liability.

## PRIORITY SPACE SELECTION FAQs:

### Do I need to be a member of BOMA International to exhibit?

No. Membership in BOMA International, whether local or National Associate Membership, provides discounts on exhibit space but you do not have to be a member to exhibit. Select the non-member rate for exhibit space if you are not a member.

### What do I need to prepare for priority space selection?

Be sure to check the schedule for your company's specific time to select space. Review the 2023 [Exhibitor Factsheet](#) and [Exhibit Space Contract](#). If an authorized signer is not able to attend or if your company prefers a paper contract, print and complete the [Exhibit Space Contract](#) and be sure the person attending Space Selection has the completed contract.

### What if my company has the same number of priority points as another company?

If two companies or more have the same number of priority points, the "tie" is broken by the 2022 contract date. If there is still a "tie," the priority is decided alphabetically by company name.

### What do I do if I cannot attend my company's priority space selection timeslot?

Complete and submit the [Exhibit Space Contract](#) prior to your company's priority space selection time to Vicki Cummins and she will be able to select in your place.

### What if I missed my priority space selection time?

Contact Vicki Cummins as soon as you can to select space. If priority space selection is still in progress, you will be able to select after the timeslot currently in progress. Otherwise, you can select immediately.

### When will I receive confirmation of my exhibit space?

If submitting a contract online, you will receive immediate confirmation via email that the contract has been received. If submitting via PDF to Vicki Cummins, you will receive a confirmation within a week once your contract is confirmed. Either way, you will also receive a second email with instructions on how to update/upload your profile a couple weeks after the conference.
