

WELCOME TO PRIORITY SPACE SELECTION FOR THE 2026 BOMA INTERNATIONAL EXPO

In recognition of your commitment to the association, BOMA International will conduct a priority space selection. Exhibitors from the 2025 BOMA International Expo are eligible to select space for the 2026 BOMA International Expo during designated time slots. Both current and previous participation are included when creating the priority points.

Priority Space Selection will take place at the 2025 BOMA International Expo in Boston on Sunday, June 29 and Monday, June 30 in the Expo Sales Office located between the escalators at the front of the Expo Hall.

By selecting space for next year now you can guarantee the **best available booth location**.

EXPLANATION OF THE PRIORITY POINT SYSTEM

- ◆ One point for each year a company has exhibited in the BOMA International Expo. One point for every 100 square feet of exhibit space occupied in each of those years. These points are cumulative and start with the 1987 show.
- ◆ One point is added for National Associate Membership (NAM) in BOMA International. NAM points are not cumulative.
- ◆ One point is added for each sponsorship. Sponsorship points are cumulative.
- ◆ Additional points are given to partners based on partnership level and are cumulative.
- ◆ In the event of a tie, the *2025 Exhibit Space Contract* date is used as a tie-breaker.
- ◆ A company that did not exhibit last year, but did exhibit the year before, retains its accumulated points. However, an exhibitor who misses two consecutive years loses all accumulated points. Points are not awarded to companies who fail to occupy their booths in previous year(s).

PRIORITY SPACE SELECTION FAQs:

Do I need to be a member of BOMA International to exhibit?

No. Membership in BOMA International, whether local or National Associate Membership, provides discounts on exhibit space but you do not have to be a member to exhibit.

What do I need to prepare for priority space selection?

Be sure to check the schedule for your company's specific time to select space. Review the 2026 [Exhibitor Factsheet](#) and [Exhibit Space Contract](#). If an authorized signer is not able to attend, print and complete the [Exhibit Space Contract](#) and be sure the person attending Space Selection has the completed contract.

What if no one can attend my company's priority space selection timeslot?

Complete and submit the [Exhibit Space Contract](#) prior to your company's priority space selection time to Vicki Cummins and she will be able to select in your place.

What if I missed my priority space selection time?

Contact Vicki Cummins as soon as you can to select space. If priority space selection is still in progress, you will be able to select after the timeslot currently in progress. Otherwise, you can select immediately.
